History of Europe: Ancient and Medieval

History of Europe: Our Own Times

By ROBINSON and BEARD

A personally conducted tour through the ages—the story of man from yesterday to today—with the emphasis on today—concrete—vivid—full of local color and action—no child will find these histories dull. "Our Own Times" covers the last three centuries, half the book being devoted to the past fifty years. This with the "Ancient and Medieval" volume forms an excellent two-year course for high schools.
